El Segundo Puzzle Hunt

7

Phil N. TheBlank has been learning about baby animal names in biology and created this puzzle for you to solve. If there are any you aren't familiar with, we hope you'll learn something new. Feel free to look them up or ask a friend for help. Enter a word in each row of the grid below. If a box extends to multiple rows, repeat the letter. Enter the answer to get this puzzle's clue location. Go there to find a clue and save it for the final puzzle.
