Phil N. TheBlank is going for a bike ride on the NOVA Loop Trail. He filled his basket with things to take on his adventure. Fill each bolded section of the basket starting at the bottom and filling towards the top. If any square in a compartment is filled in, every other square in that compartment in the same row or lower must be filled in. The number in each row and column indicate how many squares are filled in each row and column. Read the filled squares for your answer. Enter the answer to get a clue location. Go there to get the clue and keep track of it for the final puzzle.

Antony M. filled the air in his tire to get ready for his bike ride on the NOVA Loop Trail. Create spokes by pairing the images. Start on the outside of the tire, draw into the hub and back out again. Spokes do not necessarily go straight across. Use the numbers and letters to get the answer. Enter the answer to get the clue location. Go there to get the clue and keep track of it for the final puzzle.
