

NOVA Loop Trail Puzzle Hunt

3

Ken Ken and his pals have been riding through the trails and have seen lots of critters along the way. Solve his puzzle below to get the answer. Fill in each square with the numbers 1-4 (1-6 for the larger grid). Use each number once in each row and column. The small numbers in the upper left corner of each "block" (region with heavy lines) is your target number. The symbol is which operation to use in that block. Then convert the numbers to letters using the critters to decode and the cipher get the clue location. Go there to get the clue and keep track of it for the final puzzle
